CUSTOMER LOYALTY APP

Provide your customers with the ultimate parking experience, directly from their phone! Book reservations, scan their digital loyalty card and request your vehicle using the netPark Customer Loyalty App.

CUSTOMER LOYALTY APP

Give your customers the mobile experience they deserve

AVAILABLE ON ANDROID & iOS

Support for both Android & iOS

CLIENT CUSTOMIZABLE

Customize your app right from within netPark. Modify verbiage, adjust colors and rearrange home screen options, just to name a few

BOOK & CANCEL RESERVATIONS

Allow your customers to book and cancel reservations right from their mobile device

VIEW PAST RECEIPTS & RESERVATIONS

Customers can view their previous receipts and reservations, as well as email copies to themselves

DIGITAL LOYALTY CARD

No need for physical loyalty cards: Customers can display their card right on their mobile device

REQUEST VEHICLE

Real-time vehicle request allows customers to simply click a button to alert the location that they are ready for pickup

VIEW & EDIT PROFILE

Customers can view and modify their profile, allowing them to update credit cards, modify personal information and even update their vehicles
